MP3 STYLING IRON

YOUR HAIR ROCKS!

Introducing Hot Tunes MP3 Player and
Ceramic Styling Iron from HAI®

Singing with Style

You've got to hear it to believe it! Embedded inside the new HAI-Elite Hot Tunes flat iron sits a crystal-clear MP3 player with speakers. Able to store up to two hours of music, this techno treat has volume, play, pause, and seek controls, as well as adjustable bass and treble features. Top-of-the-line styling specs include floating, nanoceramic/tourmaline plates; flash heating; a 9' swivel cord; and an adjustable temp control, which ranges from 170°F to 400°F. Bonus! The iron comes with a USB cable to download your favorite tunes. (HAI-ELITE.COM)
